PROJECT TOGETHER

Description: Adults with disabilities come together each week to engage in fun and enlightening crafts and activities that create community. Join for friendship, fun, and opportunities that continue to keep us all life-long learners!

GED (General Equivalency Diploma)

Description: Adults wishing to prepare for taking the Minnesota GED test can expect to find these classes an effective and helpful way to GET READY for taking the Minnesota GED tests. You will also learn about what to expect in regards to each of the tests, i.e. content, cost, procedures, and more!

ESL (ENGLISH AS A SECOND LANGUAGE)

Description: Adults wishing to develop their English language fluency will find a community of learners working toward the same goal in this weekly class. Many topics will be explored, from banking to healthcare! Students can expect an opportunity to practice English listening, speaking, reading, and writing, including an integrated vocabulary component to help learners build on their current English vocabulary.

CITIZENSHIP

Description: This class welcomes you to the exciting journey of becoming a U.S. Citizen! There are many things to learn about our great country and this course is a focused approach. Each lesson presents key civics facts through illustrations, wording of questions on the citizenship test, and all pertinent information that must be learned in order to navigate the policies, procedures, and expectations to put you on the road to U.S. Citizenship.
